

# Introducing the **ARTISTIC DIRECTOR'S CIRCLE**

The **Artistic Director's Circle** is launching this year and it will play a critical role in the life of Crow's Theatre by supporting our Artistic Programme. It will be our highest individual donor program – created specifically with Crow's Theatre donors in mind – offering unique events and opportunities designed to bring you closer to the work we do, and closer to our artists.

The **Artistic Director's Circle** members will provide vital funding for new commissions, play development, and special projects, allowing us to bring together innovative collaborations that push the boundaries of the art form. These funds will also help us partner with other innovators from across the country and around the world.

# YOUR SUPPORT MATTERS

In our inaugural season 40% of our funding came from individual donors and 97% of that amount came from major donors. We would not have been able to present a great deal of our programming without individuals like you making significant contributions to support our work. Also, we would not have had upwards of 32,000 people walk through our doors.

## **Take flight with us in 2017-2018.**

We hope you will join us on this exciting journey and help us continue to enrich the character of our amazing city.
